NEWS NOTES FROM NATURE'S GREAT HIGHWAY.

The Crania will attend to the up-river trade tonight.
The Henry M. Stanley went to Charleston last night.
The Keystone State was up last night for Pittsburgh.
The coal boat has all passed down—a trifle over 2,000,000 bushels.

The frame of the biggest towboat on record is up at the Elizabeth Marine Ways.
Tomorrow the new Robert McKinley will arrive at Pittsburgh to receive her machinery.
The rivers are falling slowly all along, and no decided change in the stage of water is anticipated this week.
The City of Cincinnati is a success. She makes steam easily, handles like a top and seems to be perfect in every particular.
The steamer City of Pittsburgh, homeward bound, made the run from New Orleans to Baton Rouge, a distance of 132 miles, in a little less than 16 hours—a little better than 8 miles an hour against a heavy high river.
The work of relieving the sunken John K. Speed of her freight progressed well yesterday, and about 150 tons had been placed on shore before dark. It will take two days more to get all off. The State of Kansas will take all of the freight that is ready. The Speed can probably be saved, but it will cost \$10,000 to get her off the rocks and put her in shape. As she is insured for \$40,000, the underwriters will save by the operation. A bulkhead will be built in her hold as soon as the freight is off.
Mothers! Beware of those secret robbers of your baby's quiet and health. Those sleepless nights and long hours of tiresome vigil are caused by those terrible enemies of childhood—worms. Destroy and remove them with White's Cream Vermifuge. Price 25 cents. J. Jas. Wood & Son.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from ten drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address, F. J. CHENEY & CO., Toledo, O. Sold by druggists, 75 cents. Hall's Family Pills are the best.
